

GOALTENDER TRANSFER FORM

Associations are to first use all available goaltenders in their own association, including affiliates.

This confirms that the above-noted team does not have a goaltender or a second goaltender registered in their association. This form must be completed in full and submitted to the BC Hockey office.

Name of Association: _____

Team / Division: _____

Name of Person Completing Form: _____

Position: _____

Signed: _____

Responsibilities from MHA:

- Documentation from the association outlining reasons why the goaltender transfer request is necessary.
- Letter from the Association with the named goaltender(s) to be transferred giving permission for this move.

Responsibilities from District Director:

- Letter from Parents of the named goaltender(s) giving their permission for this move.
- Letter of support / non-support from the District President.
- Letter of support / non-support from their District Director(s).

Note: ** The intent of this policy is not to penalize associations who wish to have a team but are unable to because of no goaltender. It should also be understood that the goaltender being picked up does not necessarily need to be the best available goaltender in their District and does not allow an Association to ignore an eligible goaltender from their own Association because of questionable assumptions. The sole responsibility to find a goaltender rests with the District Director. Associations are not to contact players or associations on their own.
