

Hockey Canada is proud to partner with BC Hockey and the Canadian Hockey League (CHL) to introduce High Performance Goaltending Development Camps in BC.

These camps will introduce the U14 goaltender to the skills, concepts and techniques of the Hockey Canada Program of Excellence Goaltending Program. Each camp will admit 24 to 36 U14 goaltenders to experience the program under the guidance of Hockey Canada, BC Hockey and CHL experts and consultants.

The curriculum and design of the camp is created by Hockey Canada's High Performance Goaltending Advisory Group to introduce young goaltenders to high performance concepts and an introduction to the Program of Excellence.

Registration for each camp is \$350.00 and is open now.

SALMON ARM

April 6 - 8, 2018
